

The AlphaReading Program

PRICE LIST - ORDER FORM

Available from Lioncrest Education

A guided reading Program for the early years of schooling. The ideal levelled reading resource.

- Topics focus on social experiences children find familiar and appealing
- Books incorporate talking, writing and reading activities
- Texts are carefully graded
- Photographs, illustrations and diagrams engage and inform readers
- Texts offer students opportunities to explore the four roles of the reader: code breaker, meaning maker, text user and text critic

For Middle and Upper Primary

Making the connection between Non-fiction reading and writing

AlphaExplore offers a multifaceted approach to guided reading and writing across science and humanities curriculum topics.

The program features:

- 36 non-fiction Student Books
- Teacher Notes - a guide to using the non-fiction books with students.
- Interactive Whiteboard CD Roms

- Assessment Kits.** There is one comprehensive Assessment Pack relating to each of the AlphaExplore stages Middle Primary A, Middle Primary B and Upper Primary. They provide an easy to use and practical assessment resource linked to the curriculum.
