- **Active Books** – allow pupils to create their own story by letting them choose what happens next. Engage students while developing vocabulary and storytelling skills.
- **Talking Books** – Electronic versions of selected Big Cat books, one fiction and one non-fiction, from each reading band. Gives the opportunity to listen to the story and “read along” as it’s read aloud on screen and to check each word individually with an audio prompt. Follow-up activities reinforce understanding and help to develop vocabulary, recognition skills and pronunciation.
- **Electronic BIG BOOKS** – Electronic versions of the Big Books are ideal for whole class work on an interactive whiteboard .

Assessment and support guides

There are six Assessment and Support Guides, one for each year which provide practical planning and teaching support.
