Big Cat Whole Group Strategy Sessions

USE WITH Interactive Whiteboards

Dynamic Instructional Support for Comprehension – 3 Levels.

Whole Group Strategy Sessions
The unique Whole Group Strategy Sessions kits provide resources for teaching the key comprehension strategies. This resource carefully links to specific Big Cat texts to help strengthen students' comprehension skills.

- 8 key reading strategies discussed at each grade level
- 2 shared reading texts for each strategy
- Reciprocal reading opportunities at each grade level
- Compatibility with Interactive Whiteboards, PowerPoint, LCD projector, or overhead transparencies.

Each level kit includes a folder for each strategy. Each strategy folder includes 3 exemplar lessons (mostly two instructional read alouds and one shared reading) that serve as model lessons for teachers to introduce the strategies.

The Instructional Read Aloud lessons use books from the Big Cat Series.

The Shared Reading lessons use excerpts from texts within the Big Cat Series, between 1-4 pages. The texts for shared reading are included in two formats:

1. Overhead Transparencies
2. Whole Group Interactive Texts CD-ROM (to be used with a computer, LCD projector and **interactive whiteboard.**

In the Emergent and Early levels of the *Big Cat Whole Group Strategy Sessions* are *Big Cat Big Books* for additional shared reading support and the integration of additional skills. The Big Cat Book of Rhymes and Poetry and the Big Cat Book of Nonfiction provide a variety of short texts to use as you're reading to and with the students.
